

Create a Poster About Shadows! 🎨

Dear Students,

For our next project, you will create a poster about shadows using A4-sized cardboard (any colour). You can either draw or paste pictures to make your poster.

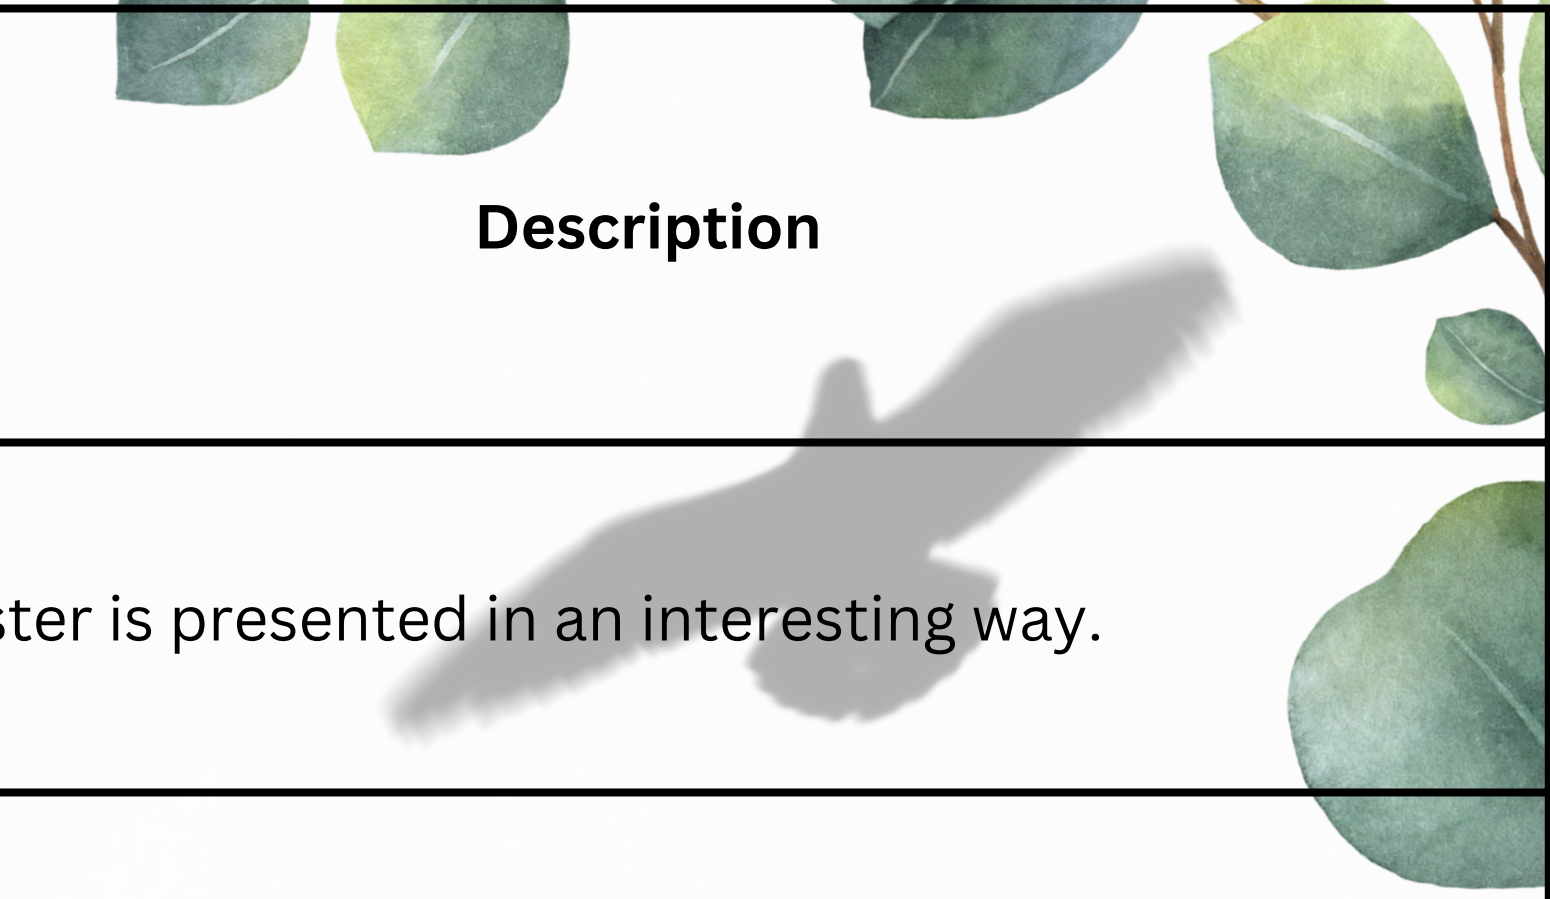

What to Include in Your Poster:

- Draw or cut out pictures that show how shadows are made.
- Short paragraph on your poster explaining what shadows are and how they are formed.

Project Evaluation and Grading Criteria:

The project will be evaluated according to the following criteria so you can take it into consideration:

Criteria	Points	Description
Creativity	1	The poster is presented in an interesting way.
Scientific Accuracy and understanding	1	The poster correctly explains how shadows are formed.
Neatness & Effort	1	The poster is well-organized and shows good effort.
Written Explanation	1	The paragraph clearly explains the topic in simple words.
Submission	1	The poster is submitted on time
Total Points	5	

Make sure to finish your poster by 14/4/2025 or earlier and bring it to class to share with your classmates!

We are excited to see all the creative posters!
