

## **Final Reading Assessment**

Kindly note that you will sit for a reading assessment on Monday, May 19, 2025.

You are kindly requested to practise reading the flashcards (1-72) for long vowels in Phonics Book 3 and the high frequency words (groups 1-4).

Below find attached the high frequency words that were sent in the first semester.

I advise you to read the stories at the end of each unit to help you practice reading different sentences fluently.
