

Dear students,
Please note that you will have a reading assessment including unseen words and sentences.

You are kindly requested to practice reading the following:

- ❖ Short Vowel flashcards (Parts 1&2)
- ❖ High-Frequency Words (Groups 1&2)
- ❖ The following words from Phonics book 4 Units (4 +5)

(shell, fish, ship, brush, chick, catch, dolphin, mother, father, think, bath, duck, quilt, rocket).

Kindly note that you can cut and use the Student Cards (37-60) that are at the back of the Phonics Student Book in order to help your child practise reading the words.

I recommend reading the sentences of exercise (E) on pages 33, 35, 45 and 49 in Phonics Book 4 to help you practice reading different sentences fluently.
