

## **Subject: Invitation to Participate in the Math Competitions and Olympiads 2025-2026**

Dear Parents,

We are excited to invite your child to participate in the upcoming Math Competitions and Olympiads for the 2025-2026 academic year. These global competitions are a wonderful opportunity for students to challenge their mathematical skills, engage with a global community of peers, and develop a deeper appreciation for the subject.

Below you will find details on the contests available, including a brief description, registration information, and fees for each.

### **1. Crown Math Competition**

This international competition focuses on both foundational and advanced math skills, adhering to global standards. It's a two-stage competition with a preliminary and a final round. There is also an optional "Countdown" round for fast-paced problem-solving.

- Registration Period:** Open until one week before the first round.
- Rounds:** January 25, 2026 (First Round) Second Round in February 14, 2026
- Fees:** 40 JD
- Registration Link:** <https://forms.gle/befaCaKeb1dVKrKk9>
- 25% discount for registration before September 30.**
- For Samples and social media pages : Choose the Contest Name from the QR List and Download**
- Payment Links:** Orange Money: 0777445510      CliQ: AMJAADQ

## 2. Xpert American British Math Competition

This competition is an international contest that focuses on core math skills and their applications, following American and British standards. It consists of multiple online and in-person qualification rounds, with top scorers advancing to an elite global final in Boston, London, or Cambridge.

- **Registration Period:** Open until one week before any of the first three qualification rounds.
- **Rounds:** 3 Qualification Rounds starting 21/11 – 12/12 – 24/1
- **Finals:** June in Boston – August in London
- **Fees:** 45 JD for Qualification rounds
- **Elite Finals:** Boston – London cost around 2700 jd except visa expenses.
- **Registration Link:** <https://forms.gle/VwJTzozXdeLRvwpx7>
- **For Samples and social media pages : Choose the Contest Name from the QR List and Download**
- **Payment Links:** Orange Money: 0777445510 CliQ: AMJAADQ

### 3. Hong Kong International Mathematical Olympiad (HKIMO)

As one of the world's most prestigious math competitions, HKIMO attracts participants from over 100 countries. It focuses on logic, algorithms, algebra, geometry, and number theory.

- **Registration Period:** Open until April 1st, 2026.
- **Rounds:** April 25, 2026 (Preliminary Round) and August 2026 (Final Round)
- **Fees:** 45 JD for Qualifications Round
- **Finals:** either in Amman (Around 250 JD) or in Hong Kong (Around 1950 JD)
- **Registration Link:** <https://forms.gle/42K6dRskrPe6ytNH9>
- **For Samples and social media pages : Choose the Contest Name from the QR List and Download**
- **Payment Links:** Orange Money: 0777445510      CliQ: AMJAADQ

For more details on any of these contests, please feel free to contact us:

- **Email:** info@amjaadedu.com
- **Phone:** 0799825259 / 0777445510

We look forward to your child's participation in these enriching events.

Sincerely,
