

Dear Parents,

We are pleased to inform you that an online account has been created for each Grade 5 student to access the *Cambridge Primary Mathematics* book and activity book.

To log in, please visit the following website: www.mceduhub.com

Login details:

- **Username:** The first letter of the student's first name (in uppercase) followed by the family name **without** "Al" without any space.
- **Password:** student01

As an initial step, students can use the platform to access the soft copies of the main book and activity book. In the coming period, maybe assignments and activities will also be posted on this platform for students to complete and for teachers to review and follow up on.

We encourage you to ensure your child logs in and becomes familiar with the platform.

Best regards,

Rita Ziadat
Math coordinator
