

## Describe and Compare Masses (II.B.1)

Date: \_\_\_\_\_

1. Circle the **heavier** animal and cross out the **lighter** animal in each picture.

2. Look at the pictures. Complete the sentences using the words (**heavier**, **lighter**, **heaviest** and **lightest**).

- (a) The scissors are **lighter** than the glue.
- (b) The glue is **heavier** than the scissors.
- (c) The scissors are **heavier** than the marker.
- (d) The marker is the **lightest**.
- (e) The glue is the **heaviest**.

3. Which object is the heaviest? the bag

4. Francis says that box C is the heaviest.

Is he correct? Why?

**No, Francis is not correct because box C is heavier than box B, but is lighter than box A. So, it is not the heaviest.**
