

Worksheet E

Activity Book p.71

Identify Lines of Symmetry

Level 1 Level 2 Level 3

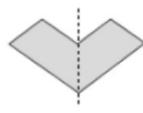

If you are not sure, you can refer to Student's Book pages 88 to 90.

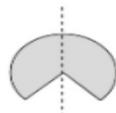

I Which of the following is not a line of symmetry?

Put a cross (X) in the box.

a

b

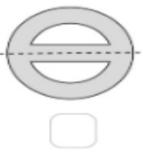

c

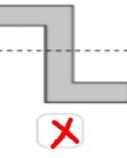

d

e

f

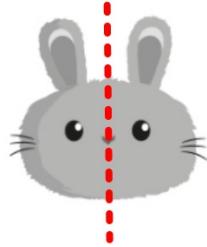

Activity Book p.72

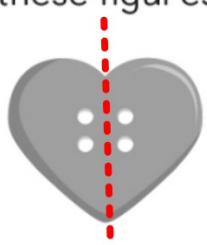

2 Draw a line of symmetry in each of these figures.

a

b

c

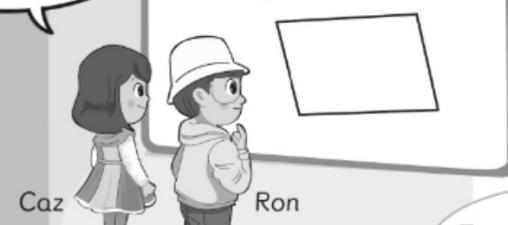

d

3

This shape does not have any line of symmetry.

This shape has 2 lines of symmetry.

Try to cut out the shape and fold it!

Who is correct? Explain your answer.

Caz is correct. A line of symmetry divides a figure into two halves. Each half is the mirror image of the other. This shape cannot be cut in a way that the 2 halves are mirror images of each other. So it has no line of symmetry
