

Practice Worksheet

Student's Book
p.141

1. Tick (✓) the correct box beside each statement.

	True	False
All rocks are big and rough.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Some rocks are shiny.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Pebbles are not rocks.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
We can extract rocks only from quarries.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

2. Circle **two** statements that correctly compare the rocks below.

rock A

rock B

rock A is big, and rock B is small

rock A is rough, and rock B is smooth

rocks A and B have the same colour

rocks A and B have the same shape

Student's Book
p.142

3. A group of students are talking about how to extract rocks.
- Myra: Large drills are used to break rocks into smaller pieces.
- Salha: Rocks cannot be extracted from under the water.
- Venga: We use machines to extract rocks from the surface of the Earth.

Only **two** students are correct. Circle the names of the students who are correct.

Myra

Salha

Venga

4. Where can we extract rocks from? Write the names of the places. **quarry riverbed mine**

Student's Book
p.142

quarry

mine

riverbed
