

Look Back

Student's Book p.107

The numbers are getting smaller.

a What do you notice about the numbers?

Talk to your partner about the pattern.

What number comes next in the pattern
after 90? **85** **The numbers are 5 less each time.**

How do you know? **We can use the number line.**

Counting back in 5s, the number that comes after 90 is 85.

Listen when
your partner
is talking.
