

Self-Study Guide for the Cambridge Primary Checkpoint-Science

Dear Students,

This is your study program to help you prepare for the Science Checkpoint exam. The proposed plan is designed to guide your review of key science topics and help you recall the material from grade 5

Checkpoint Science Study Plan

Units	Dates	Self-Study Worksheet
Unit 1: The human body	Aug 8, 2025 Aug 9, 2025	Worksheet #1
Unit 2: Materials: properties and changes	Aug 10, 2025	Worksheet #2
Unit 3: Rocks, the rock cycle and soil	Aug 11, 2025	Worksheet #3
Unit 4: Food Chains and Food Webs	Aug 12, 2025	Worksheet #4
Unit 5: Forces and Electricity	Aug 13, 2025 Aug 14, 2025	Worksheet #5
Unit 6 : Light and the Solar System	Aug 15, 2025 Aug 16, 2025	Worksheet #6

NOTES

1. Self-study worksheets are designed to reinforce your understanding of each unit. They will be uploaded to Google Classroom along with a mark scheme.
2. It is highly recommended that you review your answers using the provided mark scheme after completing each worksheet.
3. All Science Checkpoint past papers will be distributed and practiced with your teacher during Science sessions, starting from the beginning of the academic year until the Checkpoint exam in October.
4. Stay organized and manage your time well-preparing gradually will improve your performance.
