

adverbial phrase

While picking berries, the children heard a **strange**

adjectives

onomatopoeia

noise. **Crackle, crackle!** The sound was somehow

rising
action

weird. They looked around to find out what the

adverbial phrase

metaphor

sound was. During that time, **they froze in fear.**

linking word

Suddenly, they spotted a **dark** creature hiding in the

problem

trunk of a tree and staring at them. **With** their hearts

adverbial phrase

beating fast, they ran away quickly to get some help.

linking word

Soon, they met a hunter carrying his tools. They

linking word

asked him to protect them. **At first,** they felt

falling
action

frightened and worried but when the hunter agreed

to help, they started to feel **safe and hopeful.**
