

Maths Worksheet

Name: \_\_\_\_\_

Grade 3 (      )

Date : \_\_\_\_\_

**Chapter 3 Section C: Add and Subtract to 1000 (3.C.5)**

Objective: Solve two-step addition and subtraction word problems.

Q1. Sama had 576 marbles. She took them to her friend's house. She lost 300 on the way. Then her dad gave her 220 marbles. How many marbles does she have now?  
Show your work.

Q2. Liam has \$690. He wants to buy a bicycle that costs \$45 and a toy that costs \$35.  
How much money does he have left? Show your work.
