

Q1. Find the complement of each number to make 100.

65 35

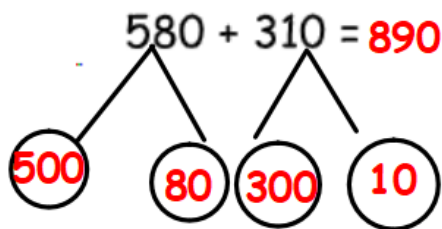

23 77

make the tens 90 and
the ones 10

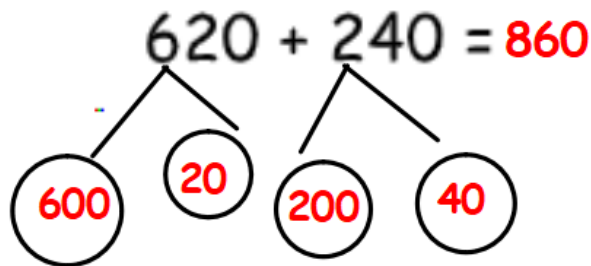

81 19

48 52

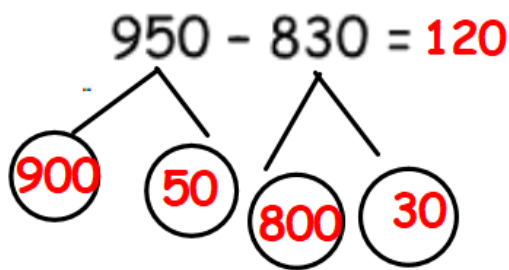

Q.2 Add/Subtract using number bonds.

80 + 10 = 90
500 + 300 = 800 890

20 + 40 = 60
600 + 200 = 800 860

900 - 800 = 100
50 - 30 = 20 120
