Round the numbers to the nearest 10:

851   735

Round the numbers to the nearest 100:

449   382

Find the sum of 351 and 289

Calculate 790 - 358

Tara has 183 books. Seema has 50 fewer toys than Tara. How many toys do they have altogether?

Write the complement of each number to make 100.
