

Rosary School \ Marj Elhamam

Name : _____

Subject: Class worksheet (Lesson 4.A)

Date: / 11 / 2025

Grade: 5 ()

(3D shapes drawing on dot paper)

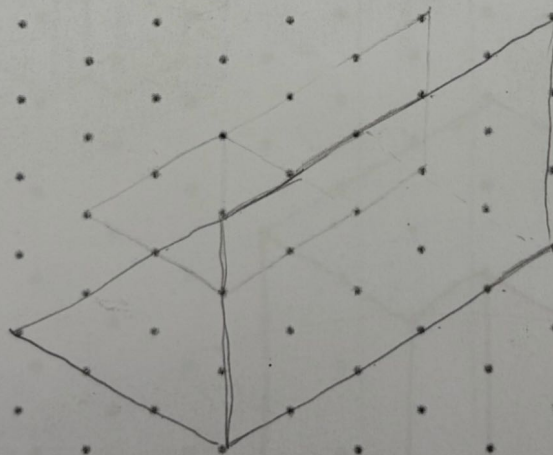

O1. Chen chooses a 3D shape.

Chen says,

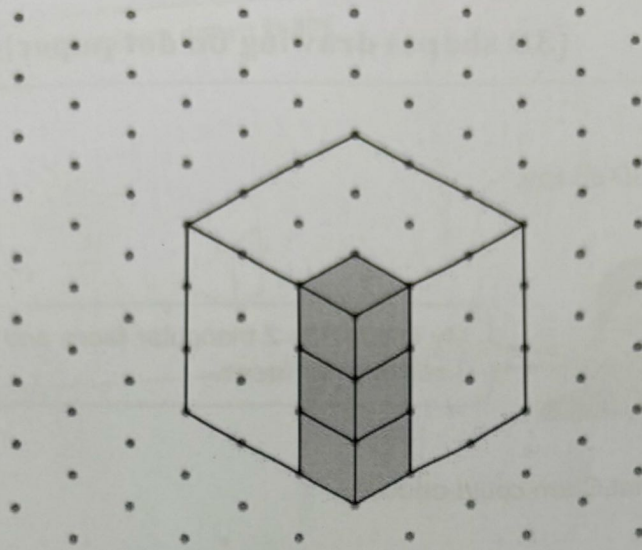

My shape has 2 triangular faces and
3 rectangular faces.

Sketch a shape that Chen could choose.

Here is a drawing of a large cube on isometric paper.
The large cube is made of 27 smaller cubes.

Q2.

The three shaded cubes are removed.

Draw the new shape.
